Seminar 6

We will review the **Unit 6 Discussion Board** and the **Unit 6 Assignment.**

Our Topic for Week 6 Assignment is Critical Thinking and Analyzing Sources:

(1) Authority (who): Who is the author or sponsor, and what are their credentials? Did the author/sponsor provide contact information?

(2) Accuracy (where): Where did the information come from? Are there citations and links to other websites?

(3) Objectivity (what): What is the purpose of the site (inform, entertain, persuade, advertise, etc.)? Is the discussion fact-based or opinion-based?

(4) Currency (when): When was the site originally created? Has it been recently updated? Are the links working?

(5) Coverage (why): Why is this site worthwhile? Is the site easy to navigate, and does the information seem logical?

In the discussion, we'll be looking at Bloom's Taxonomy. Learn more:
